

FOR  
EQUALITY★)  
[www.europe4all.org](http://www.europe4all.org)

★) For a Europe based on rights against all forms of discrimination: Our Europe respects and guarantees through all its actions the principle of the equality of citizens respecting their differences and diversities. Europe recognizes and guarantees the right to equal status between men and women in all spheres of political and social life as well as the freedom of sexual orientation. (\*\*)[2007]: Charter of Principles for Another Europe)
